

Presenting
the most coveted symbol
of pharma business dominance.

UBM
**India Pharma
Awards 2017**

27th November 2017, Mumbai

The 5th edition of India Pharma Awards is poised to bring forth industry champions, stalwarts & visionaries from around the world.

The most transparent & process driven awards, IPA recognises thought leadership on a global scale, by celebrating the excellence of top Pharma innovators and champions from various pharma verticals via an exciting journey that has seen the platform grow year on year with increased number of nominations, partnerships and quality audience.

With India Pharma Awards 2017, the time has come once again to position your brand with the best in the Pharmaceutical space and establish your market dominance in one of the most competitive industries in Asia.
